ALIAS CREATIVE GROUP FINISHES PRO-BONO WEBSITE
FOR CAPE CORAL CULTURAL PARK THEATER

Alias Creative Group has finalized the Cape Coral Cultural Park Theater website, which can be viewed at www.culturalparktheater.com.

The website needed to be modernized and was designed in Flash in preparation to easily accommodate videos that will be posted later for visitors to get a better sense of performances while giving actors the ability to review their performance. The main purpose of the website is to inform people about upcoming shows and entice them to get involved.

“This donation of our time and resources to such a worthy cause has been very rewarding. We want to support the local arts and Cultural Park Theater is the driving force for the performance arts in Cape Coral. With all its plays and other activities, it gives children and adults of all ages an opportunity to develop their skills and talents. When they invite us to film any of their plays, we are always blown away by the quality of the acting and productions they put on. It’s exciting to be a part of it, especially when you can sense that some of the voices, writers, and actors will be moving on to much bigger stages later,” Says Aaron Belchamber, media director and co-owner of Alias Creative Group.
